

Safety Data Sheet

according to regulation (EU) No. 1907/2006

Rev. 2014-10

1. Identification of the substance/preparation and of the company/undertaking

Information on the product

Trade name: picodent isoliermittel Gips gegen Kunststoff

Company/undertaking identification:

picodent GmbH
Lüdenscheider Str. 24-26
D-51688 Wipperfürth

www.picodent.de
Telephone-No. +49 2267 6580-0
Fax-No. +49 2267 6580-30

Responsible Department:

picodent GmbH
Lüdenscheider Str. 24-26
D-51688 Wipperfürth

www.picodent.de
Telephone-No. +49 2267 6580-0
Fax-No. +49 2267 6580-30

Emergency telephone:

picodent GmbH, Wipperfürth

Telephone-No. +49 2267 6580-0

2. Hazards identification

For human:

none, if use in according to instruction

For environmet:

none, if use in according to instruction

3. Composition/information on ingredients

Chemical characterization:

Description:

mixture Water + (< 15 %) Sodium Alginat

Dangerous components:

none

4. First aid measures

After inhalation:

no special measures required

After eye contact:

rinse opened eye for several minutes under running water,
consult a doctor

After skin contact:

wash with soap and water

After swallowing:

no special measures required

5. Fire-fighting measures

Suitable extinguishing agents:

void

Protective equipment:

no special measures required

6. Accidental release measures

Person-related safety precautions:

not required, clean / wash with soap and water

Measures for environmetal protection:

no special measures required, clean / wash with soap and water

Measures for cleaning/ collecting:

collect mechanically, clean / wash with soap and water

Safety Data Sheet

according to regulation (EU) No. 1907/2006

Trade name: picodent isoliermittel Gips gegen Kunststoff

7. Handling and storage

Advice for secure handling: Keep out of reach of children, read instruction before use, do not eat, drink or smoke.
Storage: Usual hygienic measures rare necessary
Store under dry and cool conditions (10-20°C)

8. Exposure controls/personal protection

Components or decomposition products with threshold limits values for the work place: void
General measures for protection- and hygiene: Handel with usual precautions for chemicals.
Wash hands and/or face before breaks and after works
Breathing-protection: void

9. Physical and chemical properties

Phenotype:
Form liquid
Colour red
Odour odourless
Safety relevant data:
relative density (g/ml) 1
water-soluble (g/l) not determined

10. Stability and reactivity

Conditions to be avoided: no decomposition if used and soiled according to specifications.
Dangerous reactions: no dangerous reactions know
Dangerous products of composition: void

11. Toxicological information

Acute toxicity:
Primary irritant effect:
on the skin: No irritant effect know
on the eye: No irritant effect know
Sensitization: No sensitizing effect know

Additional toxicological information: The product is not subject to classification according to the calculation method of the General EC Classification Guidelines for Preparations as issued in the latest version. When used and handled according to specifications, the product does not have any harmful effects according to our experience and the information provided to us.

12. Ecological information

Instructions for elimination (persistence and decomposition): Can be precipitated mechanically to a large degree in sewerage plants

Safety Data Sheet

according to regulation (EU) No. 1907/2006

Trade name: picodent isoliermittel Gips gegen Kunststoff

13. Disposal considerations

The product: The product must be disposed in accordance with federal, state and local regulations.
Packaging not cleaned: Packaging which has not been cleaned has to be disposed as the product itself

14. Transport information

not a hazardous material

15. Regulatory information

Designation according to EC guidelines: Observe the normal safety regulations when handling chemicals. The product is not subject to identification regulations under EC Directives and the Ordinance on Hazardous Material. The product is not subject to classification according to the calculation methods of the "General Classification Guideline for Preparations of the EC" as issued in the last version.

National regulations:
Classification according to VbF: Void.
Water hazard class: Water hazard class 1 (Self-assessment): slightly hazardous for water

16. Other information

none

This information and all further technical advice is based on our present knowledge and experience. However, it implies liability or other legal responsibility on our part, including with regard to existing third party intellectual property rights, especially patent rights. In particular, no warranty, whether express or implied, or guarantee of product properties in the legal sense is intended or implied. We reserve the right to make any changes according to technological progress or further developments. The customer is not released from the obligation to conduct careful inspection and testing of incoming goods. Performance of the product described here in should be verified by testing which should be carried out only by qualified experts in the sole responsibility of a customer. Reference to trade names used by other companies is neither a recommendation, nor does it imply that similar products could not be used.
